

**PRODUCT INFORMATION** 

270 North Road, Yate South Gloucester BS37 7LQ www.action-products.co.uk

## DESIGNED TO BE KIND

Household - DIY - Professional Chemical Products

## MATERIAL SAFETY DATA SHEET

## EU Patent 0925335 US Patent 6632782

## 1. IDENTIFICATION

Product NameMasonry WashSupplierAction Products Limited, 270, North Road, Yate, South Glos BS37 7LQTelephone No.01454 228702Fax No. 01454 228703

## 2. COMPOSITION

This product is comprised of a blend of neutral non-toxic, biodegradable surfactants with of the order of 10% ethanol (CAS 67-17-5) in a water base.

## 3. HAZARDS

| Nature of hazard | Flammable.  |
|------------------|---|
| Hazard symbol    | None.   |
| Risk phrases     | R10. Flammable.                                       |
| Safety phrases   | S2. Keep out of reach of children.                    |
|                  | S7. Keep container tightly closed.                    |
|                  | S16. Keep away from sources of ignition - No smoking. |

# 4. FIRST AID

| Eye contact  | Irrigate eye with clean water.   |
|--------------|--|
|              | Obtain medical attention if soreness or redness persists.                        |
| Skin contact | Wash off with soap and water.  |
| Inhalation   | No inhalation hazard under normal conditions of use.                             |
|              | In the event of inhalation, remove patient to fresh air and seek medical advice. |
| Ingestion    | Low toxicity by ingestion.   |
|              | May be harmful if ingested in quantity.  |

# 5. FIRE-FIGHTING MEASURES

| Extinguishing media                | Water, Carbon dioxide, AFF Foam, Dry Powder |
|------------------------------------|---|
| Unsuitable extinguishing media     | None known                                  |
| Unusual fire and explosion hazards | None known                                  |
| Protective Equipment               | Breathing apparatus and protective clothing |
|                                    | advised for significant fires.              |

**PRODUCT INFORMATION** 

## 6. ACCIDENTAL RELEASE MEASURES

| Personal precautions                   | Avoid eye contact.<br>Avoid prolonged or repeated skin contact<br>Advised to use safety glasses (or goggles) and butyl rubber gloves when<br>clearing spills.   |
|--|---|
| Precautions to protect the environment | Do not allow large quantities to enter drains.  |
| Clean up procedures                    | CAUTION. Spillages will be slippery.<br>Absorb with inert absorbent and dispose of in accordance with waste<br>regulations.<br>Wash site of spillage with plenty of water.  |
| 7. HANDLING AND S'                     | TORAGE  |
| Handling                               | Avoid eye contact. Avoid repeated or prolonged skin contact.<br>Advised to use safety glasses (or goggles) and butyl rubber gloves when<br>using this product especially when working overhead.<br>Keep away from sources of ignition - No smoking. |
| Storage                                | Protect from frost.<br>Store out of direct sunlight.  |
| 8. EXPOSURE CONTR                      | ROLS/PERSONAL PROTECTION  |

| 0. LAI ODURL CONT  | KOES/I EKSOIWE I KOILCHON                            |
|--------------------|--|
| UK Occupational    | Ethanol: 1,000 ppm (1920mg/m <sup>3</sup> ), 8hr TWA |
| Exposure Standards |  |

| Enposure Standards  |  |
|---------------------|--|
| Personal protection | Wear eye protection when working on overhead surfaces. |
|                     | Wear butyl rubber gloves to remove softened coating.   |

## 9. PHYSICAL AND CHEMICAL PROPERTIES

| Appearance at 20°C  | Clear, colourless water thin solution |
|---------------------|---------------------------------------|
| Odour               | Faint                                 |
| Density at 20°C     | 0.97                                  |
| pН                  | 7                                     |
| Boiling point       | Approx 100°C                          |
| Flash point         | $45^{\circ}C = 113^{\circ}F$          |
| Autoflammability    | Not known                             |
| Solubility in water | Soluble                               |
| Freezing point      | Approx 0°C                            |

## 10. STABILITY AND REACTIVITY

| Conditions to avoid | Freezing. Sources of ignition.                     |
|---------------------|--|
| Materials to avoid  | Will dissolve polystyrene after prolonged contact. |
| Hazardous           | None known   |
| decomposition       |  |
| products            |  |
| Stability           | Stable   |
|                     |  |
