Dear Mrs Mogridge,

We write to thank you for the assistance you have given both to Fr David Myers, Parish Priest, of St Peters Church, Cardiff and ourselves in the specifying of suitable products for cleaning the Godwin & Minton floor tiles in the church, the 17<sup>th</sup> century oak benches and the 19<sup>th</sup> century bath stone font. The results we obtained using your products was excellent, we found them to be both user friendly and easy to use

Yours sincerely
